

# GREEN-OFF CLEANER

**A POWERFUL CLEANER FOR THE REMOVAL OF ALGAE, MOSS, LEAF STAINING AND ORGANIC GROWTHS FROM ALL HARD LANDSCAPING AREAS**

## PRODUCT DESCRIPTION

Green-Off Cleaner is a high performance, long lasting advanced formula which removes organic growth from both sealed and unsealed surfaces making cleaning your paved areas easy. Containing no solvents, acids or caustic soda means it will not damage the treated surface and is safe to use on all natural stone, sandstone, limestone, granite, marble, porcelain, ceramic and any kind of concrete and decorative paving. Green-Off Cleaner will not affect the colour of the treated area and is fast acting and easy to apply. It is particularly effective on areas where algae, moss, fungus and leaf staining occur.

## BENEFITS

- Fast acting
- Easy to use
- High penetrating power
- Waterborne product
- Contains no acid
- Results can be seen in hours
- Non-VOC (Volatile Organic Compound)

## APPLICATION

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory. Shake the container well before use.

Firstly, sweep off any excess fungus, moss and debris and cover any areas you want to protect before applying the Green-Off Cleaner.

Apply liberally using a low-pressure pump sprayer or watering can and agitate with a stiff brush.

Leave for a minimum of 60 minutes up to 24 hours depending on the amount of contamination. Rinse with plenty of water.

## COVERAGE

1 Litre = 3m<sup>2</sup> to 7m<sup>2</sup> (33.8floz = 32ft<sup>2</sup> to 75ft<sup>2</sup>)

The figures indicated are approximate and should only be used as a general guideline.

## STORAGE

Store in the original unopened container in a clean, dry area and ideally at 5°C - 25°C (41°F - 77°F).

## CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

## RECOMMENDATIONS

Do not apply if rain is expected, when its frosty, or when the surface is <5°C and >25°C (<41°F and >77°F). Please be aware darker colours will have a considerably higher surface temperature in warmer weather conditions.

Do not dilute or mix with any other product.

Care should be taken around plants, shrubs and grass.

If the area is contaminated with Lichen use our Pavetuf Black Spot Remover from our range of maintenance products.

## HEALTH AND SAFETY

Contact with acids liberates toxic gas. Causes severe skin burns and eye damage. Very toxic to aquatic life. KEEP OUT OF REACH OF CHILDREN. Do not breathe fumes/gas/mist/vapours/spray.
