

PRODUCT DESCRIPTION

Wood Deck Cleaner is a high performance, long lasting advanced formula for the removal of organic growth from wood decking, fencing, garden furniture and any exterior wood panels. Removing algae, moss, fungus, leaf staining and general soiling, it is fast acting and easy to apply and will not affect the colour of the treated area. Containing no solvents, acids or caustic soda means it will not damage the treated surface.

BENEFITS

- Fast acting
- Revives and brightens weather beaten exterior wood
- Easy to use
- High penetrating power
- Waterborne product
- Contains no acid
- Results can be seen in hours
- Non-VOC (Volatile Organic Compound)
- Use on horizontal and vertical surfaces

APPLICATION

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory.

Wear protective gloves/protective clothing/eye protection/face protection.

Shake the container well before use.

Firstly, sweep off any excess debris and cover any areas you want to protect before applying the Wood Deck Cleaner.

Horizontal application - Apply liberally using a low-pressure pump sprayer or watering can and agitate with a stiff brush. Leave for a minimum of 60 minutes up to 24 hours depending on the amount of contamination. Rinse with plenty of water.

Vertical application - Apply liberally using a low-pressure pump sprayer and leave for a minimum of 60 minutes up to 24 hours depending on the amount of contamination. Rinse with plenty of water.

PACKAGING

5 litre (169floz) container

COVERAGE

1 Litre = 3m² to 7m² (33.8floz = 32ft² to 75ft²)

The figures indicated are approximate and should only be used as a general guideline.

STORAGE

Store in the original unopened container in a clean, dry area and ideally at 5°C - 25°C (41°F - 77°F).

CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

RECOMMENDATIONS

Do not apply if rain is expected, when its frosty, or when the surface is <5°C and >25°C (<41°F and >77°F). Please be aware darker colours will have a considerably higher surface temperature in warmer weather conditions.

Do not mix with any other product.

Care should be taken around plants, shrubs and grass.

HEALTH AND SAFETY

Contact with acids liberates toxic gas. Causes severe skin burns and eye damage. Very toxic to aquatic life. **KEEP OUT OF REACH OF CHILDREN.** Do not breathe fumes/gas/mist/vapours/spray. Do not get in eyes, on skin, or on clothing. Wear protective gloves/protective clothing/eye protection/face protection. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Get medical advice/attention if you feel unwell. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Get medical advice/attention.
