

PORCELAIN CLEANER

**A CONCENTRATED PORCELAIN AND CERAMIC
CLEANER FOR INTERNAL AND EXTERNAL USE**

PRODUCT DESCRIPTION

Porcelain Cleaner is a high-performance cleaner for internal and external use on all types of porcelain and ceramic tiles. Externally this versatile cleaner can also be used on marble, granite and natural stone including sandstone and limestone. This fast acting and safe to use cleaner is non-acid, non-caustic and is made with the latest technology, using water softening agents which helps to minimise the water marking and streaks on smooth and non-absorbent surfaces. Porcelain Cleaner is water based and is formulated with biodegradable components.

BENEFITS

- Water based
- Powerful and effective cleaning
- For use on porcelain and ceramic tiles, marble, granite stone
- Biodegradable
- Concentrated
- Latest technology minimising water marking and streaks
- Internal and external use

APPLICATION

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory.

Shake the container well before use.

Dilute by adding the following ratios of Porcelain Cleaner with clean warm water

Light soiling/general maintenance - 20ml to 40ml per 1 litre of water

Heavy soiling/intense clean - 50ml to 100ml per 1 litre of water

External use - Apply with a pump sprayer or watering can and leave for 5 minutes. Agitate with a stiff brush then rinse clean.

Internal use - Use a mop and bucket to clean the area. To achieve a buffed up look on smooth surfaces, use a microfibre mop to polish before the area dries.

Daily maintenance - 20ml to clean warm water in a litre spray container.

Spray an even coat and allow to work for 1 minute and remove with a microfibre pad, buff until dry.

COVERAGE

1 Litre (33.8fl oz) diluted to make up to 50 litres (11 gallon), approximately 300m² (3229ft²). See application for dilution ratios.

STORAGE

Store in the original unopened container in a clean, dry area and ideally at 5°C - 25°C (41°F - 77°F).

CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

RECOMMENDATIONS

Do not apply if rain is expected, when its frosty, or when the surface is <5°C and >25°C (<41°F and >77°F). Please be aware darker colours will have a considerably higher surface temperature in warmer weather conditions.

Do not mix with any other product.

Do not let the product dry out whilst cleaning is taking place.

Rinse well or the dirt remnants may leave marking.

HEALTH AND SAFETY

Causes serious eye damage. KEEP OUT OF THE REACH OF CHILDREN. Do not get in eyes, on skin, or on clothing. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Get medical advice/attention.

Contains - Linalool may produce an allergic reaction

Please dispose of packaging and waste products in line with current environmental legislation.
